

Things to remember in Reception

- Blue reading folders are to be in school every day.
- Please label all Jumpers, cardigans and fleeces with your child's name.

Learning in Year Reception:

In writing

- Gives meaning to marks they make as they draw, write and paint.
- Hears and says the initial sound in words.
- Uses some clearly identifiable letters to communicate meaning, representing some sounds correctly and in sequence.
- Writes own name and other things such as labels, captions.

In reading

- Hears and says the initial sound in words.
- Can segment the sounds in simple words and blend them together and knows which letters represent some of them.
- Links sounds to letters, naming and sounding the letters of the alphabet.

In maths.

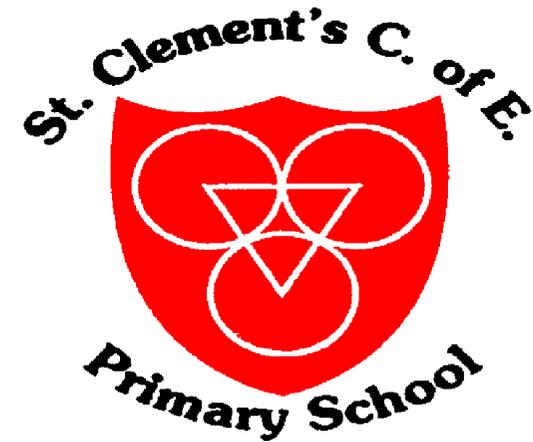

Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing.

In Reception we are successful independent learners. We know it is ok to get things wrong because making mistakes can help us to get better.

We know the best way to learn is always try our best and to be in school EVERY DAY!!!!
