COMPASSION AND LOVE

THE GOOD SAMARITAN
(Luke 10:25-37)

Jesus told the story of the Good Samaritan, "Love" can mean many different things, but the "Christian love" that Jesus talked about means treating others with kindness and respect and helping them when ... Jesus loved to tell a good story to make a point, and The Good Samaritan is one of

- ◆ It is not just feeling sorry for someone but actually doing something about making their life or situation better.
- ◆ Understanding the sufferings of others and wanting to help.

COMPASSION IS
WALKING IN SOMEONE ELSE'S SHOES, UNDERSTANDING HOW THEY FEEL, and TRY TO DO SOMETHING TO HELP.

At St. Clement's school we pride ourselves in looking at the wider world. Every day we look after each other and show our Christian values. Through out the year we have showed our Compassion to others around the world. We have supported Manchester Night Shelter, at St. Clement's Church, who help Asylum Homeless Refugees. With your support, we sent our Harvest and Christmas Shoe Box Appeal to them. We collect stamps for the Leprosy Mission. We held our coffee morning to raise fund for The Christy and McMillan Nurses.
