30/50 months

I am learning to ... use vocabulary focused on people of interest.

Can we ...?

+ Make a box 'All About Me'

- First, we need to find a box to put my favourite things in.
- I then need to answer these questions and find the objects to fill my box:

- o Where do you live?
- o Who is in your family?
- o Who is your best friend?
- o What is your favourite toy?
- o What is your favourite book?

We can add a photograph or I can draw a picture

+ Decorate my box

+ Share my box with people in my family.

- When I am sharing my box please help me to use full sentences e.g.

In my family there is Mummy, Daddy, Leo and me.

My favourite toy is my doll.

To help me get better at my mark making/writing, I could ...

- o Write my name on the front of my box.
- o Draw and label my family, writing the first letter of everyone's names or full names.

Top tips to help me learn ...

- ⇒ I could answer one question each day and make my box slowly.
- ⇒ Show me how to write my name, using correct letter formation.
- ⇒ Show me how to write the first letter for family names.
- ⇒ **Celebrate my learning**, what you think I did well and why.
