

Things to remember in Nursery

- Uniform items can get lost! Please make sure that names are written in all clothes. Children struggle with shoe laces. Please try to send your child to school in shoes that don't have laces. Please encourage your child to develop their self help skills at home e.g. fastening their coats. It will really help us in school when we are getting ready for outdoor play.
- Our V.I.P system will soon be underway. We will try to speak to you every 5/6 weeks to update you on your child's progress and to share their next steps in learning.
- Mouse club workshops are not currently running due to Covid 19, however we will be putting mouse related tasks onto DOJO please look out for these and support your child and us by working with the mouse at home.
- For Autumn 2 there will be a focus on phonics (letters and sounds) tasks and games that you can do at home to support your child, We will be in touch soon with more information.
- Please get involved in your child's learning journey by accessing our online tool, "Target Tracker". Just ask one of us if you are unsure. Class dojo is a great way to see the rewards your child has had at school. We also share news, photos and messages. If you haven't signed up to access it yet, please ask.

Learning in Nursery :

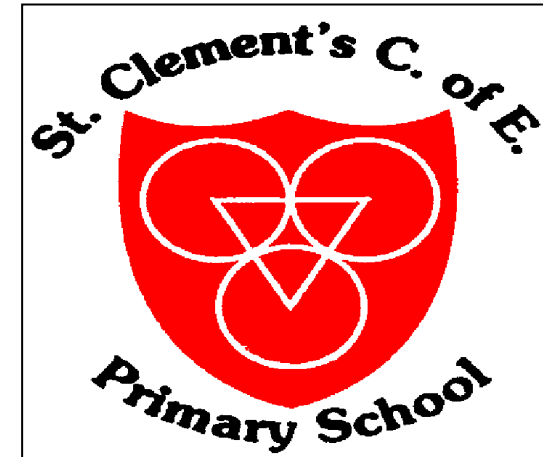

In Nursery this term we will be,

- Continuing to develop our sharing and turn taking skills and developing our awareness that some actions and words can hurt others feelings.
- Developing our independence and safety awareness.
- Continuing with Phase 1 Letters and Sounds (phonics) focusing on tuning into and listening to sounds.
- Learning to listen to others, taking turns to speak, understanding and responding to a range of simple instructions and questions.
- Continuing to develop the physical skills needed for early writing through lots of malleable activities such as painting, creative activities, playdough, dough disco, mark-making in shaving foam and so on. We will also be encouraging children to hold their pencil correctly to develop their fine motor skills. We will continue to give meaning to marks as we draw and write and we will start to learn how to write our names.
- Learning through topic work about families Autumn and Winter seasons and celebrating

In nursery we are kind, gentle and supportive friends. We congratulate everyone when they have done something well. We always try or best even if something is difficult.
