

Things to remember in Year One:

- I have PE on a Monday and I need to come to school in my PE kit.
- I have a new reading book once a week. I must bring my reading book and Reading Record in **EVERY DAY**.
- Reading is very important but I won't get better at it if I don't practice **EVERY DAY** with an adult or an older sibling. If I read 5 times each week I can earn CLEMS to spend in the clems shop.

Learning in Year One:

In writing

Non-Fiction - We will be writing recounts and holiday reviews based on our topic 'Where in the World'

Fiction - We will read and learn stories from other cultures and traditions particularly India. We will write about characters and settings and compare these stories to the stories we already know.

In guided reading

We will read a range of fiction and non-fiction texts

- We will use phonics to work out unknown words in texts
- We will learn to recognise and read tricky words
- We will talk about what we have read and learn how to find the answers to simple questions in fiction and non-fiction books.

In numeracy

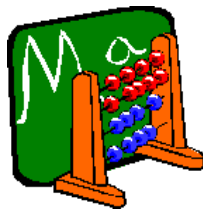

We will be learning.....

Numbers & Counting: count to 100, count in 1's, 2's, 5's and 10's, count forwards and backwards, place numbers on a number line, understand and use the terms 'more' and 'less', 'partition' 'teen' numbers and other 2 digit numbers.

Understand Calculations: read and write number sentences, use number bonds to 10 / 20, solve one step problems, find money totals, be able to add 1 digit to 2 digit numbers. Use pictures, arrays and equipment to solve multiplication and division problems.

Shape & Space: Sort and classify shapes according to their properties and present our work using tables and charts. Know what shapes will look like in different orientations. Build with 3D shapes.

Measures: compare length / height / weight & capacity, use simple measuring equipment, understand and use vocabulary related to time, tell the time to the hour, half hour and quarter hour, know months of the year and days of the week.

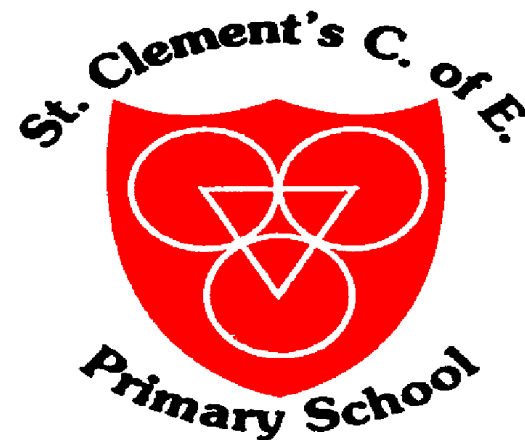

Phonics in Year 1

Letters
Phase 1
and
Phase 4
Phase 2
Phase 5
Phase 3
Phase 6
Sounds

The children will continue to have a daily focussed phonics session in year 1. All children in Year 1 will take a phonics test, (that is usually in June, but has been postponed by the government to December this year) called the Year 1 Phonics Check.

We are practising reading 'alien words' in school and we hope that the children have been practising at home using their alien word boxes. Please continue to support this and bring your boxes back to school each week. This is to give the children the best possible chance when they come to take the test.
