

Things to remember in Year Six:

- We have PE with the sports coach on a Friday afternoon. You should come into school dressed in your PE kit on a Friday morning—you will not be getting changed in school. Please make sure you are dressed appropriately for the weather conditions as all PE will be taking place outside where possible.
- We get Homework every Friday. This can be a project homework, so please check when the due date is, if not it will be due the following Wednesday.
- If we would like a snack at break, we must bring a healthy snack in.
- We will be bringing a book home from our class library regularly. We will also make sure that we change this book regularly and have our reading record filled in to show we have read. It is important you continue to read regularly at

Learning in Year Six:

- In Writing we are focusing on making sure we continue to progress with the writing skills we had developed were working on in year 5. We will also focus on adding flair, imagination and excitement to our writing and developing our independence with editing and improving our writing. We will continue to build up our knowledge of SPAG (Spelling, Punctuation and Grammar).
- In Guided Reading Reading is so important and we are expecting you to read every night at home., just 10 minutes a day will make a difference This year, the focus will be on high level skills (inference and opinion), making sure answers are backed up with evidence.
- In Numeracy we will be exploring place value, the four operations on whole numbers and fractions. It is still vital your child is secure with their multiplication facts and tables. **Keep practising your Maths skills on Timestable Rockstars and Mathletics.**
- The Topic this term is World at War—please see our topic map! This is a very thought provoking and engaging topic, which previous year 6 pupils have thoroughly enjoyed!

ATTENDANCE: It is so important that you are in school EVERY DAY. We should be achieving 100% attendance and it would be fantastic to achieve this. PLEASE send your child to school every day.

GROWTH MIND SET: In year six we have a growth mind set, which means we always try our hardest and like to challenge ourselves.
