

GORTON HUB

Open from 15th November!

Gorton Hub is your new community, health and learning hub.

The Hub brings together a range of great services in a purpose-built, modern building. There are also some great community spaces inside that are open for the public to use.

Some of the services moving in are:

- The new home for Gorton Medical Centre GP practice
- A pharmacy
- NHS community health teams like district nurses, health visitors & physios - including treatment rooms for children's and adult's services
- A fantastic, vibrant and modern library space
- Jobcentre Plus
- Manchester Adult Education Service
- One Manchester
- Your neighbourhood community health & social care team.

More about your Hub!

Located right in the heart of Gorton

The Hub can be found on Hyde Road near Tesco Extra, it's a place for the community that's easily accessible. The full address is Gorton Hub, 27 Garratt Way, M18 8HE.

Opening times

There are a range of services with varied opening times. Please contact the individual services to check specific opening hours. The Hub itself will be open from 8am to 8pm Monday to Friday and 8am to 5pm on Saturdays.

What's opening when?

Services will be opening in a planned way from November.

- The library, Manchester Adult Education Service and the Neighbourhood health and social care team will open on Tuesday 15th November
- Jobcentre Plus will open on Monday 21st November
- Further services that will be moving into the Hub will include the GP practice, One Manchester, a Pharmacy and a cafe.

Look out for messages from the services you use for more details of their opening date - or check the website below for the latest news.
