

Learning in Year Six:

- In Writing we are focusing on making sure we continue to progress with the writing skills we had developed so far and sustain our stamina and love for writing. We will also focus on adding flair, imagination, creativity and excitement to our writing and developing our independence with editing and improving our writing. We will continue to build up our knowledge of SPAG (Spelling, Punctuation and Grammar).
- In Guided Reading We will be continuing our work reading a variety of texts through our reading gems. Please make sure that your children are reading AT LEAST 15 minutes a day—we are checking reading records!
- In Numeracy we will be continuing to learn the basics, It is still vital your child is secure with their multiplication facts and tables. Keep practising your times tables on TTRS. We will also be learning about area and perimeter during the summer term.
- Our Topic this term is the Mayans (focus S. America.) We'll be using this topic to look at both history and geography. Any home research would be greatly appreciated!

Things to remember in Year Six:

- We have PE with the class teacher each Monday afternoon and with the sports coach on Friday afternoon. PE kits can be left in school and taken home at the end of each half term. This helps to ensure no kits are forgotten.
- Homework will be given every Friday to be returned on Monday, but please also keep up with TT rock Stars and spelling frame
- Snacks are provided each day, whether it is toast or fresh fruit.
- Children will be bring a book home from our class library regularly. It is important they continue to read regularly at home.

ATTENDANCE: It is so important that you are in school EVERY DAY. We should be achieving 97% attendance and it would be fantastic to achieve this. PLEASE send your child to school every day.

GROWTH MIND SET: In year six we have a growth mind set, which means we always try our hardest, love mistakes and challenge ourselves. Try this at home!
